

Agilent Technologies
Authorized Distributor

Annual Workshops with „DSP Chromatography“

22. March 2017.

Hyatt Regency Belgrade Hotel, Beograd

Room I - Chemical Analysis	Room II - Life Science
<p>9:00 – 9:30 - Recent application trends and innovations in atomic spectroscopy</p> <p><i>Gregory Lecornet, Agilent Technologies</i></p>	<p>9:00 – 9:30 - An Integrated Multi-Omics Approach to Biological Research</p> <p><i>Shaun Billsborough, Agilent Technologies</i></p>
<p>9:30 – 10:00 - The thinking behind the new Intuvo GC Platform from Agilent Technologies</p> <p><i>John Upton, Agilent Technologies</i></p>	<p>9:30 – 10:15 - Agilent Next Generation Sequencing solution</p> <p><i>Adrien Puppo, Agilent Technologies</i></p>
<p>10:00 – 10:30 - OpenLAB CDS 2: Compliance and ease of use, together at last</p> <p><i>Matthias Rupp, Agilent Technologies</i></p>	<p>10:15 – 10:45 – Coffee break</p>
<p>10:30 – 11:00 - Coffee break</p>	<p>10:45 – 11:30 – Agilent Microarrays solution for CGH and Gene expression</p> <p><i>Adrien Puppo, Agilent Technologies</i></p>
<p>11:00 – 11:30 - Latest News from Agilent Liquid Phase Mass Spectrometry Solutions</p> <p><i>Shaun Billsborough, Agilent Technologies</i></p>	<p>11:30 – 12:00 – What’s Cooking? New Products Presentation</p>
<p>11:30 – 12:00 Tools for Instrument Uptime, Speed and Resolution: adding value to your analytical workflow</p> <p><i>Paul Boguszewski, Agilent Technologies</i></p>	<p><i>Marija Stevanov-Pavlović, „DSP Chromatography“ d.o.o.</i></p>

12:00 – 12:10 - Seminar closing and lottery
12:10 – 13:30 - Lunch break
13:30 – 15:30 – WORKSHOPS: six presenters will host 30 minute workshops where you will be able to ask specific questions, talk about applications, problem solving or whatever else comes to mind
